

TITLE :- THE CONQUERING HERO.

Picture :- He arrives at the Tempelhof by plane; where a big --

--crowd give him a hearty welcome home.

His smashing victory over Stribling is considered to be an epic --

--of the boxing ring, with Max Schmeling a worthy hero. He certainly looks pleased with himself - and well --

--he might ; I learn that a fine film of his --

--great bout has arrived in this country, so I must take--

--an early opportunity of getting the thrills of the fight at first hand.
