

TITLE. :- COMING EVENTS.

Picture. :- ~~A thousand~~ girls prepare for next year's big athletic meeting in Prague

There will be fifteen

thousand of them for the great event, so these are a

mere handful, so to speak They should do well, for they're prepared to put in nearly a years' training.

The men, too, have started early rehearsals A thousand of them make a good showing, so we can expect some

amazing scenes when fifteen thousand get

together on the great occasion! It is the first of a series of regional gatherings organised well in advance, with the intention of making the general meeting the greatest concentration of

the world's athletes ever brought together in one place at one time And now we must "wait and see".
