

TITLE. :- SHE SAID "NO!"

Picture. :- They pulled down the whole block of buildings -
except one! And here is the

"fly in the ointment!" Just a ladies'

gown shop The owner simply won't sell! Its
one of those cases where a woman refuses to change her mind!

Why should she, if business is good? Anyway,
they don't know what to do,

beyond pulling down the buildings all round I wonder

Madame Pauline doesn't complain of the noise!

Perhaps they're hoping she'll "feel the draught"
when there's nothing to keep the

wind from whistling round the four corners of

her little shop! Thank you, ladies! Tell your
friends its "business as usual" I hope her
customers don't sedge paying their bills, as they do
the falling bricks!
