

TITLE. :- MAKING A SPLASH.

Picture. :- Don't try this without a doctor standing by!  
Och! A perfect dive, like a brick!

And now another "shocking" flat dive! ..... Watch  
him! ..... Ouch! ..... Like the side of a house!

He calls this one the Flying Dutchman ..... OUCH! .....  
Why "Dutchman"? ..... Surely they're not like that!

Here's one-and-a-half somersaults done in expert style .....  
Over and In, as clean-cut a dive as you'd wish for.

And now in the "flat" style ..... He still calls it  
the one-and-a-half, but - OW! - he omitted the "half"!

Cast Iron! His "tummy" must be that and more!

But "Cast Iron" sinks, so his friends

want to find out if he's telling the truth! ..... Up  
you come! ..... One - Two - Three - SPLASH! But you  
can't

keep a good man down -- for long! ..... He's an  
instance where "a reverse" gets a fellow out of trouble!
