

TITLE :- CITIZEN SOLDIERS.

Effects :- Carry on "Reveille" bugle-call (faded down) over entire first shot, taking it out at

Picture :- Reveille means that another day of soldiering is here. .... The Terriers "slip into" their job like Regulars !

The officers, too, undergo courses of intensive training during their short "spell" under canvas on the Downs. ....

Every man is there when they set out on a long "hike". .... They are nothing if not up-to-date in the Territorials ! No ! Up-to-date is not correct - for "hiking was originated by soldiers centuries ago, and has only just been discovered and adopted, as a good healthy pastime, by the civilian population.... Finally comes

DISS - MISS ! -- and that's the end of the day -- except for those who have "clicked" for guard-duties or fatigues. .... The others ? Well, the canteen is open !
