TITLE:- LIKE AN OMELETTE.

Picture:- First there is a race to see who can break three--  
--hundred eggs in the shortest time --(and just in case --  
--you didn't know it, three hundred --  
--eggs is three hundred and sixty ! ) If you--  
--don't believe me, ask your grocer !

..... When ten-thousand have been treated this way, they  
are to --

--turned into one gigantic omelette, in this ! ..... The frying  
pan weighs half a ton ! .....

The problem of how to grease the pan is --  
--solved in this way ! A couple of slabs of bacon --  
--used as a pair of skates, with a trim little trousered  
dairymaid to see that the job is properly done !

And now for the world's biggest omelette !

In go the eggs, by the bucketful. .... Ten thousand in  
all. .... That's an --

--omelette, if you like ! ..... Wouldn't you be surprised if  
you ordered one in a restaurant --

--and a score of waiters dumped this on --

--the table before you ! ..... Now it's done ! ..... I'm  
sorry --

--you can't "sample" it. .... Talkies are here, but  
tasties haven't been invented yet !
