

(1). TITLE.:- FIESTA FUN.

Picture.:- Mexico sees no reason why the people shouldn't support home industries. So --

--they hold a grand fiesta (or fete) with "Buy Mexican Goods" as its motto.

The Water Carnival attracts all the young folk to the river.

Looks like Venice ! (said he, --

--never having been there !) Anyway, they all have a jolly --

--time. They've already decided to have another water fete next year.

Would you believe it ? They've even got traffic police there ! A "wet" idea !

Cance racing puts a "bit of zip" in the day's happenings. ... It needs skill to handle the frail --

--craft. Ha ! there's one fellow who left his skill at home ! Hope he's a swimmer !
