(1). TITLE.:- FASHIONS.

Picture.:- Dame Fashion is always changing her mind !
It's a good thing she does,--

--for the dress designers ! XXXX Amongst her very latest fads are, braces for evening frocks, and gowns of Victorian effect. XXXX

Sports suits are about the only things not reverting to the styles of our grandmothers.

No, perhaps that's not quite true though, for Grandma would have gone all dithery at this ultra modern smoking suit. XXXX

New-old-fashioned headgear is now all the rage, but they're just the same as before - all extensive ! XXXX

I wonder if bustles are really coming back ? XXXX Dress designers must be having an exciting time looking over ancient patterns to find new ones ! XXXX However, we can set --

--our minds at ease ! XXXX They surely won't go so far as to resuscitate the modes of the Garden of Eden ! XXXX
