

(4).

TITLE. :- WATER, WATER -

Picture. :- They wanted rain - and got it ! XXXX The crops were going to ruin, --

--in one of the worst droughts known in the district for years, --

--and then - as if in answer to the prayers of the people - the --

--heavens opened and - well, they opened, with a capital "O" ! XXX

Cars by the hundred are marooned on the higher ground.

Chauffeurs should wear bell-bottomed trousers after this ! XXXX If you --

--want a car, you simply shout "Taxi, Ahoy !" and "Barmale --

Bill" steers his craft towards you with all the assurance of a gondolier. XXXX

The next time they ask for rain, perhaps they'll say how much they want !
