TITLE.:- TAIL WAGGERS !

Picture.:- Pedigrees don't count ! XXXX A dog which is a mixture of fifty-seven varieties will stand as much chance as one with a pedigree as long as a wet week ! XXXX So long as --

--they are members of the Tailwaggers' Club, it is only colour that counts. XXXX I know one little fellow who makes a neighbour's dog qualify for the "Red" class, about once a week ! XXXX

Here's a fine big fellow who doesn't mind a bit of "donkey" work, --

--and here, a couple of "cross-breed" puzzles with no interest in family trees !

There are races, too ! XXXX Anything with four legs and a bark may enter. XXXX It --

--looks more like a final run before locking-up at night !

The dogs had a "yappy" dog. XXXX Ahem ! XXXX And that's the end of the tale !
