

TITLE.: † MONSTER OF THE SKIES.

Picture.: - Close on the announcement of the fact that our own "R.100" is --

--for sale, come these pictures of the great American airship's introduction to the outside of her --

--big shed. XXXX She's a "great piece of work", larger than anything of the kind ever --

--attempted by any nation. XXXX The Graf Zeppelin takes second place after the Akron. XXXX She's even going to carry a --

--fleet of five aeroplanes tucked away in her "tummy". XXXX A bit --

--indigestible I should think !). XXXX If they go on increasing the size of airships at this rate, you'll soon --

--be able to enter one at its tail, --

--walk through to its nose, and find yourself at your destination !
