(6). TITLE:- MORECAMBE CARNIVAL.

Picture:- Carnival time means a good time at Morecambe ! XXXX  
The Queen-Elect gets a warm reception on arriving at the Pier.

She is followed by some fifty claimants to the title of  
the "Shapeliest Girl". XXXX That sounds rather interesting !XXXX

They are provided with a bodyguard - a wise precaution -  
although the "lancers" themselves might, in their turn, need  
a bodyguard - what ?

These are some of the attractive "swimming-suit-fillings"  
submitted to the judges, who decided that --

--Miss Louie Irish, (on the right), was First Prize winner,  
with Dorothy Rowlands next, second best.

Meanwhile the Carnival Queen, Miss Madge Walshaw  
of Hull, is crowned by her predecessor.

May she have a happy reign ! XXXX If this --

--is her first "court", it won't be her last !
