TITLE.:- TO THE RESCUE.

Picture.:- Over they go ! XXXX As soon as they hit the --
--water, the rescue squad get--
--to work to save them from--
--drowning ! XXXX The --
--life-belts only just miss the bobbing heads ! XXXX

But a miss is as good as a mile,--
--and every one is safe !

Now they are back again, ready for a different kind of
rescue by their comrades.

Some of them watch while others carry--
--out the job from a --

--boat! XXXX Watch out there ! Who-ooop ! XXXX Ha ! ha !
They didn't reckon on that ! XXXX Perhaps they are River
police !

Tek ! tek !! Another wet day ! XXXX

Now for the correct way !

The German police are like most of us in these hard--
--times - they can't afford to waste their coppers !
