

(2). TITLE:- HOME OF REST.

Picture:- The great castle will make a wonderful 'home of rest' to those --

--in the evening of their days. XXXX Her well-known love and consideration for the aged, prompts Her Royal Highness, the Duchess of York, to perform the opening ceremony. XXXX Just another kindly act from one of the --

--best-loved members of our Royal House. XXXX After inspecting the guard of honour of girl--

--guides, Her Royal Highness, in a few well-chosen words, declares the Castle open as a resort for 'tired toilers' from Dundee and the neighbourhood. XXXX Everyone is grateful to the--

--Duchess, who, of course, is a 'daughter of the district', for her interest in the project. XXXX They are glad to have her with them,--

--and hate to see her go ! But Her Royal Highness can't stay any longer - she has a couple of--

--kiddies to look after ! XXXX Still, she finds time for her day's good deed !
