CHEERING AT\*OVER ONE SHOT.  
(No commentary).

And now it's "all aboard" for Egypt. Their--

--weapons are passed from hand-to-hand from shore-to-ship. XXX I wonder who takes the "Crown and Anchor" outfit aboard ! XXXX

There's one thing about it, our "boys" certainly get chances of "seeing the world", which are --

--denied to troops of other nations. XXXX It's to be hoped these soldiers are good sailors - or that Britants will roll the --

--waves flat for them ! XXXX

Well, they're all aboard - and now it's "good bye", or--  
--rather "au revoir !"
