TITLE.:- FREEDOM OF YORK.

Pictura.:- If you are old enough to remember the Boer War, you need no introduction to General Smuts. XXXX Of course, most of you are younger than that, so here goes ! The General was an honourable enemy of ours--

--in those days - and now, amongst other things, he commands the Legion of Frontiersmen in South Africa. XXXX Hence this guard of honour when he visits York to receive the Freedom of the City.

When Britain and South Africa "buried the hatchet", the illustrious General proved that he could be as powerful a friend and ally, as the other kind - and glad we are it is so !

York is proud to number General Smuts amongst its citizens and you--

--may be sure that the General will always have a soft spot in his heart for York !
