(7). TITLE:- COTTONOPOLIS TRIAL.

Picture:- They start at one-minute intervals. XXXX Starter McClare--

--gets them away in good order, but if he's wise he--
--accepts no responsibility for them being "in order" after this sort of thing !

They are awarded marks for the manner of negotiating such freak spots as this. XXXX I suppose the best swimmer gets the most marks ! XXXX They are penalized at some points, too. XXXX For instance,--

--a competitor whose passenger is not normally seated, in observed sections, forfeits three--

--marks. XXX I'll wager some gained marks on their unobserved sections after this bumping ! XXXX

It's all in the day's run !

"If you should be feeling down in the dumps,--

--try some of this rough--

--stuff for the bumps !" Ha ! When I break into poetry it's time to change the subject !
