TITLE.:- ALL DOGS DAY.

Picture.:- Dog breeding has developed into a big national commercial proposition in the last--

--few years. XXXX The finest of all kinds are here, to lay claim to the many honours and prizes to be awarded in the thousand-odd classes. XXXX I wonder why--

--Sealyhams always look as though they are walking on their knees !

Some of the animals are as vain as can be,--

--but Spaniels prove to be the most popular dogs in the--

--show ! XXXX The judges at this show have to do much more than decide which are--

--the best dogs in the many classes ! They have to say which is--

--the best of all breeds ! XXXX How they come to such a decision I don't know,--

--but I'm glad it's their job, and not mine ! XXXX Just fancy having to tell the--

--owner of this chap that a--

--pooodle or toy-terrier is a better dog than he ! Now !
