(4) TITLE.:- SPEED KINGS MEET.

Picture.:- They are all record-smashers ! XXXX Each one has done something to speed things up in this old world--

--of ours ! XXXX Flight-Lieutenant Stainforth, is of course, the fastest man on earth - or rather, in the air,--

--while Mr. Street holds the railroad record. XXXX He drove the Cheltenham Flyer at 77 miles--

--an hour ! XXXX Mr. Howard Pixton won the Schneider Trophy in 1914 at 86, and--

--Mr. Wright is the world's champion motor-cyclist, with 150 miles an hour to his--

--credit. XXXX A real "gathering of geers", what ?

The "Cheltenham Flyer's" driver wants to fly, and Mrs Street goes with him. XXXX She's determined to "keep up" with her husband, whatever happens. XXXX

I don't know where all this speeding is leading us !XXXX If we keep going at this--

--rate, future generations will be making appointments to-day for something happening yesterday, and getting there before they start ! XXXX Work that out !
