

(3). TITLE.:- GOODBYE SUMMER !

Picture.:- They've had some great times out of doors in the--

--summer months, but now Autumn sends them under cover!XXXX

What better place than the Wave Baths--

--for fun on the gyro-wheel ? XXXX Of course,--

K

--there's not much ^{water} in the baths, or they'd want life belts !

As it is, they just miss a dip !

This is much better than rolling through heaps of autumn leaves in the--

--fields. XXXX The waves give a realistic touch to the sport - the thrills--

--of the sea without the spills !

It's a good way to reduce--

--weight, though I'm afraid--

--it won't reduce a man's wait for--

--his wife, if she's shopping ! XXXX Days of miracles are gone !

Here's a good dive, and, who says the camera can't lie ?
