

(1). TITLE.:- DIRT TRACK CHAMPIONSHIP.

Picture. :- Away they go ! XXXX A couple of the world's most daring riders out for the world championship - with eighteen-thousand people to see fair play. XXI SIT down ! XXXX

You really can't blame people for jumping up in their excitement, for there's a thrill in--

--every minute of the race. XXXX Billy Lamont, the idol of British dirt-track fans, shows his opponent what his back wheel looks like - and gives him plenty of time to study it too. XXXX The other chap--

--pulls up with him now and again, but--

--"Billy's the boy" alright ! XXXX There's no "stepping to pick daisies" about these chaps. XXXX It's all--

--or nothing with them ! XXXX I wonder they keep on the--

--track! XXXX A false move and there'd be one less vote registered on polling day ! XXXX

The finish, with Lamont going in at a winning spin as sure as a two-headed--

--penny ! XXXX A fine win, Billy ! XXXX But if I were an insurance agent, I'd give "you a miss" !
