(3). TITLE.:- ROYAL SPONSOR.

Picture.:- Quite a lot of people are present to see the big ship launched. XXXX One of--

--the loveliest princesses in the world, Princess Olga of Jugo-Slavia performs the ceremony. XXXX A tap on a lever, with a little golden mallet--

--and the "good ship" "Dabrovnik" makes the first move of her career! XXXX It's funny when you think of it; here's a case where they christen a newborn in its cradle! XXXX She has been built for the Jugo-Slavian government, and is the largest ship of her type ever constructed in Britain. XXXX

(CHAINS EFFECT TO END OF SHOT).

Prince Paul and the new ship's sponsor look with pride on the latest--

--recruit to their country's navy. XXXXX She looks pretty good, doesn't she? XXXX

Though Scotland is her birthplace, she is leaving very soon for Jugo Slavia - thousands of tons of real "overpriced" Scotch!
