TITLE.:- TRAINING SHIP'S ENSIGN.

Picture.:- In the presence of a distinguished gathering the new ensign--

--is blessed by Cardinal Bartolomasi, who was sent by the Pope expressly for the purpose.

The naval guard salutes, as the new flag is--

--hoisted to the mizzen-gaff, blowing proudly in the breeze. XXXXX

The cadets show their delight at the new ensign--

--by setting about "dressing ship" with a nimbleness typical of naval lads the world over. XXXXX Every boy goes--

--aloft, giving the ship, and also her sister-craft, the "Colombo", a picturesque appearance only possible with these old-style vessels. XXXXX Well, they're all "well up" in the service!
