TITLE.:- FIFTY YEARS WED.

Picture. :- It isn't every day that someone celebrates the Fiftieth anniversary of their marriage, at Zundert. So the people decide that it is an event worth making a noise about. XXXX The village band leads a long procession to the church where a special service is to be held to commemorate the great occasion. XXXXX The elderly couple march behind the band "keeping step" like youngsters "hepping the wag" from school. XXXX Then comes a mounted figure representing the bygone youth of the old 'uns.

Their name is "Havermans-Hoppenbrouwers" - - but apart from that they are quite a nice old couple ! XXXX  
May they see their Diamond Wedding ! XXXXX
