(5). TITLE:- VILLAGE BAPTISED.

Picture:- The whole population turns out - both of 'em !
No, there--

--are really fifty-seven people in Norris, and they all--
--welcome the idea of being baptised by--

--the visiting evangelist. XXXXX Brrh ! XXXX Not even the
icy water--

--can damp their ardour ! XXXX They don't get a --

--chance like this every day in their lonely lives. XXXXX
Brrh ! XXXXX What simple faith is theirs ! XXXXXXXX
There can't be many sins amongst the --

--whole community. XXXXX And if there are any,--

--they can't blame them on to the cinema, for there's not
a picture-house within a hundred miles !

XXXXXXXX Now they are supposed to be as pure as the
driven snow--

-- and as likely as not, they're just as cold !
