TITLE.:- BERLIN POLICE.

Picture.:- They are merely "showing off" to the Sporting Press, on--

--the occasion of the newspaper-men's gala. XXXX Berlin--  
--"Bobbies" are very keen on athletics, and are just as --  
--keen on letting the criminal fraternity know that it is so!!

Like the Boy Scouts, their motto is "Be Prepared", which is much the same thing as saying - Be---Ware! XXXXX  
A "Copper's" job--

--is a tiring one--  
--at the best of times, so physical--  
--fitness is of the utmost importance ! XXXX Their precision--  
--is equal to that of a West End chorus ! XXXX

I don't suppose that many of--  
--you are likely to be going to Germany in these times--  
--but if you do--  
--well, don't forget that their Police--  
--are very good chaps - as friends !
