"CLAY PIT" DERBY - Youngsters stage their own
motor-racing meet at Colorado Springs, U.S.A.

(1).

Picture :- For weeks they've all been boasting of the
speed--

--they can get out of their home-made'buses. XXXXX

Brakes are barred - the "control committee" has it
that you don't need them if you stay on, and --

--if you fall off, it's too late to use 'em ! XXXX It's
just Saturday--

--to the kids, but it's "worry-day" to their parents ! XXXXX
More torn trousers, I'll wager !

Accidents often happen, and then the "repair section"
gets to work--

--with hammer, nails, and string ! XXXXX There's plenty--

--of use for sticking-plaster, too ! XXXX Whoop ! XXXX
A victim of the speed--

--craze ! XXXXXX I suspect that waste dumps provide most
of the spare parts ! XXXXX OW ! XXXXXXXX And another ! XXXX
CRASH ! XXXXXX What a day of blighted hopes it is, to be sure !

There'll be a row when "big brother" misses his bike
wheels ! XXXXX

Here comes a good 'un - OUCH ! XXXXXX Too bad, or
rather, ~~TOO~~ BAD ! ! Ha !
