

New York:- A Glowing Tribute.- Status of Liberty receives gift of light from the American army.

(1).

Picture:- Ever since France presented the Statue of Liberty to--

--America, she has depended on the sun for light. XXXX

To-day she is forty-five years old, so the Army--

--decides to brighten her up a bit - possibly with the idea of--

--making her look younger than her age ! XXXX

Ninety-six powerful lamps are installed, to make things lighter for Miss Liberty. XXXX

Now she will "stand out--

--like the beacon she was originally--

--intended to be, when first she migrated to the U.S.A.

XXXX It is certainly a bright way of saying "Many happy returns". XXXX

She has made a place for herself in the affections of all Americans, but I'm not sure that "Liberty"--

--is the correct name for her. XXXXX We should--

--have a replica made, and call her DORA !
