performs remarkable feat at trotting  
meeting.

-Newark, U.S.A.-

---

Picture.:- Humbrooke's owner found while driving her that  
she knew as--

--much about the game as he did ! XXXX So he backed his  
mare to beat a --

--man-guided animal all on her own. XXXXX It looked as  
though he's on a good thing, too ! XXXXX Come on,  
Humbrooke!

But what's this ? XXXX It doesn't look so good  
now ! Buck up, old girl !

She does it ! XXXX A mile in two minutes-sixteen-  
seconds.

There's only one thing about Humbrooke - she doesn't  
know when her day's work is done ! XXXX Whoa, mare !  
You passed the winning post long ago ! XXXX Ease up, old  
girl - the race is over, and you've won !XXXXXXXXXXXX  
A good effort, and if your "governor" doesn't give you an  
extra bit of "fodder" out of his winnings - don't ever  
speed for him again ! XXXXXXXX
