

PUPPY LAUNDRY - And they hate Sundays,  
just the same as human youngsters.

-Los Angeles-

Picture.:- They're a bunch of "dirty dogs" - and how they  
detest washing day, with all the soapy water left over !XXX  
They soon--

--begin to wonder if that romp in the mud was worth the  
penalty !XXX How do you like soap in your eyes, anyway ?

That's a good idea ! XXXX Slings them on the line  
to dry in the sun !

They're taking it all so quietly, I shouldn't wonder  
if there was mischief brewing ! XXXX You couldn't expect them  
to be very--

--happy - they are much too clean for that ! XXXX But what  
a revenge--

--they'll have ! XXXX As soon as they're all nice and dry,  
their--

--one object in life will be to get all dirty again. XXXX  
You could almost forgive them beforehand !
