

THE DRAGON'S RETURN - The weather-vane
of Bow Church is replaced after renovation.

-London-

Picture.:- The gilded dragon is two-hundred-and-fifty
years old. XXXX It was taken down for a --

--much needed clean-up! XXXX Now, the fearsome looking
beast has to go back to its home, high above the chimneys
of London Town. XXXX It is--

--of hammered copper, weighs two-hundredweights, and has
just been given a coat of English Gold leaf. XXXX Up
it goes - the only--

--true Cockney dragon in existence. XXXX It wasn't
only born within the sound of Bow Bells, but it has been
sitting on top of them for two-and-a-half centuries ! XXXX
