

PEGGY COMES HOME ! - Miss Peggy Salaman,
heroine of the Croydon to Capetown flight
arrives at Southampton.

Picture:- Welcome home, Miss Peggy ! XXXX Typically
English weather greets her, on arrival at Southampton,
in the good--

--ship "Warwick Castle". XXXX You will remember, she,
with Mr. Gordon Store, as fellow-pilot, set up a record
for the England-to-the-Cape flight by covering--

--the distance in five-and-a-quarter days. XXXX She
had many big thrills on the journey,--

--and brought two small ones with her - - a pair of lion
cubs, Juba and Joker, which were presented to her at
Juba. XXXX

Miss Peggy is a real goer - - I wouldn't be so rude
as to call her "fast" - - you might misunderstand me !

Captain Owenf seems loth to let his famous passenger
go. XXXXXX Perhaps he's afraid she'll be hurt in "the
crush" when she goes ashore !

AND SO, FOR THE PRESENT, I LEAVE YOU !
