**Picture. :- To be able to go to a school like this ought  
to make boys like school days.**

**It is the new Dover County School, and the students  
and public generally are not niggardly in their--**

Major Astor receives--**

**--the Prince. Prince George sometimes pauses in this  
inspection of cadets to examine the honours worn on the  
right side of the tunics by the boys whose fathers gave  
their lives to their country.**

**The Door is officially opened by a key bearing  
the school arms, and the way is clear for the boys to get  
down to work.**
