FIERY DEFIANCE - Stanford University students hold bonfire rally as gesture of contempt for rivals.

-California.U.S.A.-

Y

Picture.:- This tremendous bonfire is all because of a football match ! Stanford University are on--

--the eve of their annual match against California, and the firing of this--

--little lot is to show how the hopes of a win for the rival--

--college will go up in smoke ! It is built by the Freshmen, and has taken a month to collect the wood and heap--

--it up into this 85 foot funeral pyre for California's hopes.

Well that's what Stanford expects; but the truth of the matter is that California whipped them--

--like naughty children - - six-nothing. It would--

--have caused a riot instead of a bonfire if they had known that beforehand !

AND SO, FOR THE PRESENT, I LEAVE YOU !
