Spins like a top whilst poised on the point of

She'll be a giddy young thing if she goes on
doing this much more ! (Stop) Very good ! The
poetry of motion ! As sure as a bird in flight !
(Jump) Almost incredible agility ! Can she do it
again ? (Jump) Yes ! Once more, Sonja ! We like
it ! Hup ! (Jump).

Here is extraordinary balance and beauty of
line !

APPLAUSE EFFECT UP AND DOWN.

No wonder the people applaud ! Like a swallow
over a lake ! One more leap Sonja ! (Jump).

APPLAUSE RECORD UP AND DOWN.

A wonderful performance and not a bruise to show
for it ! Well I have never done this, but I have
felt like it ! She's whirled her way to success !
You deserve it, Sonja !
