PLANE VERSUS CAR - Thrilling race between
aircraft and road vehicle at Rome.

-Italy-

Picture:- Yet another sort of excitement ! A
race of car against aeroplane ! The car gets
ahead first !

EFFECTS UP TO END OF SHOT AND DOWN
SLIGHTLY FOR START OF NEXT SHOT.

The speed is over one hundred miles an hour.
Both plane and car are flat out !

EFFECTS UP FOR THIS AND NEXT SHOT.
EFFECTS DOWN A LITTLE FOR START OF
3rd SHOT.

The plane is ahead again and the speed is
terrific and the noise too ! I can't hear myself
speak !

EFFECTS UP TO END OF SHOT.

The plane won, but only by a fraction of a second !
I am glad they are glad ! What can we do next ?
