

FIGURES AND FACES - Approach of carnival time } 204881
brings renewed activity to papier mache factory
at New Malden. -Surrey-

Picture:- This is a factory where people work so that others
may play. I used to be punished when I made faces ! These
people are paid for it ! This is the--

--art of the modeller. Under trained artistic hands, the
dainty and beautiful are created from papier--

--mache - that ballet dancer looks almost like Dresden china--

--as well as the grotesque ! Steady ! John Bull never falls
over ! A popular model this !

Girls are chosen to make up these faces. They know most
about it ! Sorry ! That sounds unkind !

If these could only speak !

FIRE BELL EFFECT.

Blimey ! Where's the fire ? (Firemen).

CHAINS & RATTLE EFFECT.

Brrh ! I feel like death ! (Skull).

SQUEAK TO REPRESENT SPEAKING.

How do you do everybody ! This is the Universal--(Birdhead)

Shurrup ! Has the beer arrived ? (Fat fellow)

DOG BARK.

I lead a dog's life ! (Dog).

Sir, I be a coloured gennleman from (Darkie)
Massachusetts--

--complete with stiff white colour. Oh, I say isn't
he sweetly marvellous ?

And here's the head of all the heads ! She's
prettier than her models ! Not so empty headed
either !
