SCHOOLBOY ATHLETES - Pupils of County  
High School prepare for Sporting Tour of  
Denmark.

-Leyton, Essex.-

Picture.:- In a few days these Essex schoolboys will  
start a great trek--

--of 16,000 miles.. Meanwhile they keep the flag flying  
by getting greater proficiency in the work they have  
undertaken. They have been selected for a sporting  
tour of Denmark, and are as keen as mustard. They  
also box--

--wrestle, and play footer. Over the vaulting horse !  
It is going to be a great trip for them ! Over !

Full of the joy of the hand spring !

"A few days, and we're off !" he's thinking !  
Up and over !

By the time Christmas holidays are finished they  
will be seasoned travellers, and the envy of their less  
athletic schoolfellows. Good luck, lads ! **Cheer, boys,**  
Cheer !
