PARTING OF THE WAYS - Inability to pay for
renewal of licences for their pets brings a
sad new year to many.

-London-

Picture:- Even minor sorrows are great to those who
are--

--afflicted by them. These are dogs whose owners can't--
--afford to keep them in these hard times.

So the Battersea Dogs' Home takes care of them.
All these--

--were somebody's pals, but now has come the parting of
the ways ! Poor kiddies !

It's a shame ! A pathetic last lick, and good bye !

There's a nice little fellow ! All dressed up and
nowhere to go ! Never mind !

There's a good time coming ! And here it is !
Food and a comfortable straw bed ! What reasonable dog
could expect more ?

Perhaps the more they are together, the happier
they'll be ! But they are not convinced !

Wistful little beggars ! Waiting to hear the
familiar voice ! Waiting ! How long I wonder !
