

MIXED DOUBLES - 200 entries in first
International Congress of Twins, at San
Diego. -California-U.S.A.-

Picture.:- Hundreds of pairs of twins are competing
for honours--

--in a unique contest held before crowds at San
Diego.

Six pairs ! So exactly matched that one
might easily marry the wrong girl.

Alike in everything but temper ! Maybe
something has slipped !

Three pairs ! A winning hand ! That's
a run of luck ! Isn't it - Daddy ? (No answer).

Fancy seeing sights like these after an
evening out with the boys ! How does one fall
in love--

--in cases like these ? Most confusing ! Well,
one could always kiss the wrong girl and
apologise.

This good-looking lad is particular about
his appearance. Probably one of the judges
going to interview a few twins, and wants to
look his best ! Am I ill, or is it the picture ?
Well I'm dashed ! Hello ! Twins !!
