FAST YOUNG THINGS - Speedy youngsters in
juvenile cycle races in Madrid.

-Spain-

Picture:- These Spanish children don't agree
with Siestas during the hot afternoons, so they
have arranged a cycle race to busk things up--

--a bit. Ricardo Zamora, the International Goal
Keeper is acting as--

--judge, and off they go !! Look at the speed !
Look at the front wheel--

--wobbles ! Look at the crowd egging on the pot
hunters !

Parents and off-spring all hot and bothered !

A girl wins it ! I have heard that
senoritas are--

--fast movers and this proves it ! Fancy being
shy after that !
