SCOTTISH SALMON FISHING SEASON OPENED - Time-honoured ceremony ushers in "Salmon Angling", at Kenmore. -Scotland-

---

Picture.

:PIPER AND TALK ONLY OVER FIRST TWO SHOTS:

:PIPER CONTINUES PLAYING AS BACKGROUND THROUGH PICTURE UNTIL HE DRINKS:

Having reached the Loch, the time-honoured ceremony of christening the boats is observed.

Anglers then wish the company and each other "Good Fishing". They also make an excuse to tak a nip to keep the cauld oot. He really deserves a drink - and it stops his playing anyway.

Now for the salmon ! Well if the fish won't rise, there's always a bite in the luncheon baskets.
