Picture:- The day of the first legalised race--

--meeting in Florida, and the horses parade between lovely  
tropical palms.

The robot bookies are busy taking money out of one  
pocket--

--to put it into another.

There's great excitement in the Grand Stand--

--as the race commences. The first race on the new track  
and under the new law ! Fourteen horses and jockeys are  
straining for the honour of winning this event.

EFFECTS ONLY OVER NEXT SHORT SHOT.

A horse called "Brown Supernet" is ahead, and the  
punters begin to get excited. "Brown Supernet" falls back  
slightly (PAUSE FOR EFFECTS) Her Jockey uses the whip  
and she thrusts ahead again (PAUSE FOR EFFECTS) and wins !

Sorry old chap ! They gave you the wrong ticket !
