LONG AND SHORT OF IT - Introducing Mr. and Mrs
Leslie and family, of Minneapolis, U.S.A.

Picture. :- Here's an ill assorted, but perfectly
happy couple - well - trio now ! The mother is--

--on the left. The baby runs his mother close for
size, and is not--

--a bit worried over the fact that the--

--whole medical world is wondering about him. The
father is 6 ft 2. The mother is 3.ft.6., but despite
this they seem to--

--have delivered the goods. Here's one case where a
wife always looks up to her husband - and gets a
stiff neck!
