A RIOT OF ROSES - Tons of gorgeous blooms
in annual "Tournament" of Roses" at Pasadena.

-California-

-U.S.A.-

Picture:- One of the most gorgeous flower processions
the world--

--has seen. It is the annual Rose Tournament and school
teams--

--vie with each other to produce the most beautiful--

--exhibit. Myriads of scented blooms of every shade and--

--colour are fashioned into designs of surpassing beauty.

The air of the streets is laden with the--

--incense of nature's petalled loveliness. The spirit of
Olympiad embodied in thousands of chrysanthemums, the
contribution of the--

--Pasadena City School. There was never such a fiesta.
One of--

--the finest spectacles of its kind to be--

--seen. This wins the prize with a fine design worked in--

--sweet-peas and China lilies. They've said it with flowers !
