ALL FOR A GOOD CAUSE - Exeter students make
a good "drive" in aid of local hospitals.

-Devon-

Picture:- Oh ! Listen to the band !

BAND UP FOR REST OF SHOT.

More students' rags in aid of--

--hospitals. It's Exeter this time, and the usual
"Stand and Deliver !" ultimatums are cheerfully
responded to by the citizens. By these joyous
methods of extortion,--

--hundreds of thousands of pounds are collected by
students throughout the country every year.

BAND QUICKLY UP AND DOWN AGAIN.

It's a good job that the notes they gather in
are better than those they blow out !
