-London & U.S.A.-

---

Picture.:- Sir Malcolm Campbell has already driven the  
Famous--

--Bluebird at a speed of 246 miles an--

--hour, but he's not satisfied ! What's a mere four  
miles a minute, anyway ? We're--

--living in a fast age, and Sir Malcolm thinks the--

--"Bluebird" can beat her previous astonishing world's  
record. There she is facing at Daytona Beach, where--

--Sir Malcolm will go shortly and make this--

--sporting attempt. Good Luck, Sir Malcolm, and again,  
Good Luck !
