RIVER OF BEER ! Product of illegal brewery tipped
into gutter by Prohibition Agents in "Dry" America.

-Chicago-

Picture:- Friends ! Britons ! Countrymen ! If you
have tears, prepare to shed them now !

Hold tight to your seats, and do not frighten the
lady sitting next to you with hoarse cries of anguish.
This is beer!

Gallons and gallons, and then more gallons. So--

--much one can almost smell it ! All this--

--is because a Chicago policeman looked in the wrong
direction. He expected to see cars in a motor garage
and instead he saw all these barrels. 537 of them !
Fountains of beer everywhere, and not a drop to drink !

Well it's quite right ! The law must be obeyed !
(Hurray !) Run away you boys ! Oh that reminds me !
What's the time ?
