NO MORE WAR ! - Students from sixty-five
countries meet in ^{anti-war} demonstration.

-New York.U.S.A.-

Picture. :- This Church was built by Rockefeller in the
great cause of international peace. In the famous--

--international house live students from sixty-five
different countries who attend the adjoining--

--college. They are the youth of the new age. Their--

--thoughts and efforts are pledged to the suppression of--

--war, and the kind of politics which breed--

--wars. There are one thousand students of sixty--

--five nations housed in this building, which with them--

--is consecrated to the noble idea of universal brotherhood.
All power to them !
