JUST A FEW LINES - on an all important world
topic of the moment.

Picture.

Sing a Song of Conference,
The delegates draw round,
And talk of scrapping ships and guns,
With a joy profound.

'Pool the lot' cries Tardieu,
'Ce que c'est a faire',
Everyone shouts 'Oui!', but no one
Seems to do, or dare.

I wouldn't like to contradict,
Or delegates defy,
Yet no one seems to notice them,
In jolly old Shanghai.
